

Alley Lighting Petition Form

Date: _____

We, the residents of the Village of Whitefish Bay, request the installation of alley lighting in the following alley:

1. Block #: _____ **behind the following streets:** _____

2. Property Owner Signatures: A minimum of **55%** of property owners directly adjacent to the alley must be in agreeance of the addition of alley lighting in order for the petition to move forward and be reviewed by the Department of Public Works. One signature per property. Once the petition is approved by Village staff, WE Energies will be contacted to develop an LED alley lighting plan design for Village review and approval. Monthly power costs and one time capital installation costs would be incurred by the Village.
