**Village Public Work Committee Meeting**

**Village Hall 2<sup>nd</sup> Floor- 5300 N. Marlborough Drive**

**Monday, August 21, 2023**

**4:45pm**

**Public Hearing**

to obtain public comment on the issue of

**Village Wide Yield Sign Replacement with Stop Signs**

The Village Public Works Committee, an advisory committee to the Village Board made up of 3 elected Village Board members and 2 appointed citizens, will be conducting a Public Hearing seeking public comments on the topic of replacing all Village Yield Sign traffic control with Stop Sign traffic control village wide. The purpose of this change consideration is to improve safety for all; pedestrians, bicyclists and motorist. There are currently 52 Yield signs in the Village at 32 intersections.

***If you should have any questions regarding this Public Hearing or this topic,***
